

# Rancho Oso Resort--*located in the beautiful Santa Ynez Mountains*

3750 Paradise Road  
Santa Barbara, CA 93105

## Thursday, April 6 - Sunday, April 9, 2017

*Hosts: Kevin and Maureen Wallace, Barbara and Jeanette*

Join us for a Dude Ranch weekend nestled in the Santa Ynez Mountains. It's shaping up to be a beautiful spring with loads of wildflowers and flowing water! (Something we haven't seen in a while).

Rancho Oso was formerly a working cattle/horse ranch on the banks of the Santa Ynez River and it still has that old western *feel* about it.

We have reserved **9 Boon docking sites in the RIVER SECTION**. It is a beautiful little area on the banks of the river in a Sycamore, Oak woodland. We also have reserved **3 Water/Electric sites** in a **separate area**, if you do not wish to boondock.

Please check website for full photo gallery of accommodations [www.ranchooso.net](http://www.ranchooso.net). If you choose to camp in another section, please let us know and we can help you arrange those accommodations through Ranch Oso directly. Rancho Oso has restrooms with showers, 2 pools, Jacuzzi and much more for you to enjoy. They also have a dumpsite on location.

There are plenty of activities on site that one does **NOT** need to travel from the Ranch....however, within 30 minutes you have the Santa Barbara County Wine Country, the city, shopping and beaches of Santa Barbara.

We have a full weekend of planned activities, including biking, hiking, picnicking, horse riding (through your own reservation) and a visit to Cold Springs Tavern where we can listen to music and eat their famous tri-tip sandwiches.
